

## **Outsights Research Associate**

Outsights ([www.outsights.co.uk](http://www.outsights.co.uk)) is a London-based strategic consultancy helping global organisations and governments think differently about the Future. Our research team provides challenging insights across a range of issues – from the rise of the BRICs to resource availability – to help the people at the very top plan for the future.

We are looking for a Research Associate to play a key role in growing our Science-based research and become an active part of our client-facing team.

You'll need all the usual: excellent communication skills, ability to work independently, proactive team player, highly organised and ability to work to tight deadlines. What will make you stand out will be your ability to work comfortably in disciplines outside of your comfort zone, problem-solving and creative thinking skills. This position offers growth potential and flexibility to achieve your personal career goals.

### **Key Responsibilities:**

- Managing internal and Client research programmes
- Sourcing and producing new and innovative material for Outsights publications
- Research and analysis for Client projects

### **The Person:**

The successful candidate will be a recent graduate with a minimum 2:1 degree in a Science discipline.

### **Essential:**

- Curiosity about the future
- 2:1 degree in a Science discipline
- Good understanding of international issues
- Comfortable with qualitative and quantitative research methods
- Ability to think across a wide range of disciplines
- Comfortable in working in a client facing role
- Proven written communication skills
- Proven organisational skills

### **Desirable:**

- Demonstrable interest in Asia or South America
- Business proficiency in a foreign language a bonus

Outsights offers a competitive starting salary, generous holiday entitlements and a flexible working environment. There is also opportunity for travel, particularly, but not exclusively, in Europe.

Please apply with a one-page summary on why you think you are suited to Outsights along with a full CV by Friday 19<sup>th</sup> September. Only successful applicants will be invited for an interview. Applications by email to Lisa Hovelsen: [lisa@outsights.co.uk](mailto:lisa@outsights.co.uk).
